Aplus
IT Services

Leave all your IT tasks to Aplus

If you are SME Manufacturer or Trader

You don't want to deal with:

- Programming Language
- ERP Selection
- Computer Servers
- System Integration
- Cloud Computing
- Application Support

You want to focus on

- ✓ Customers & Sales
- ✓ Vendor & Purchasing
- ✓ Production Operation
- ✓ Distribution & Delivery
- ✓ Quality
- ✓ Inventory
- ✓ Maintenance
- ✓ Finance & Accounting
- ✓ Profitability Analysis
- ✓ Employees & Payroll
a plus
IT Services

![Plus IT Services]

But you somehow know that

There are Roadblocks:
- Don't want to block large capital
- No in-house expertise to decide
- Software is expensive
- Computer servers are costly
- No inhouse team to support
- Not sure how to make best use of IT

Computer applications are must for your business to:

- Make it big - scalable ✓
- Make it efficient - profitable ✓
- Make it modern - automation ✓
- Make it competitive - globalization ✓
- Make it transparent - auditable ✓
- Make it compliant - statutory requirments ✓
